## Comments from the 2020 Retreat

"I wish I'd had this information 30 years ago!  
The younger you start planning for retirement the  
better. We waited almost too long and that will make  
our retirement years more challenging.  
This information is so helpful."  
-Corky Spittler

"Fabulous opportunity to take time with my spouse  
to talk about this important topic."  
-Dee Spittler

"This event was very helpful; I just wish we had  
something like this 35 years ago."  
-Mark Gehrke

"This Retreat gave us the opportunity to talk about  
our future when we find ourselves so  
preoccupied with the present."  
-Bob and Dianna
